

2010 Local Endorsements Made by the AFL-CIO

AFT Michigan, being a state-wide organization, does not make candidate endorsements in local races. The local AFL-CIO Central Labor Councils screen candidates and make recommendations in those races. AFT Michigan has asked each CLC to send us with their list of endorsed candidates which we provide for your information. As of press time some CLCs had not yet sent their lists. Please check the AFT Michigan website - www.aftmichigan.org - where we will post additional lists as we receive them.
