# Leadership Summit 2

October 28, 2017

October 5, 2017

Sisters and Brothers:

AFT Michigan is reinventing the union-building training program to focus on supporting locals and leaders **learning to survive and thrive in the open shop**. All trainings will be rooted in the core skills and activities essential to strong unions. We have developed this program to offer both a “core curriculum” and the opportunity to “major” in certain areas based on union roles and responsibilities.

The October 28 Leadership Summit is the second of three Leadership Summits during the 2017-18 school year and will focus Five Essential Union Capacities introduced in August:

- **Building Internal Structures**
- **Signing-up & Engaging Members**
- **Developing Coalitions & Political Action**
- **Negotiating & Problem-Solving**
- **Organizing New Bargaining Units**

We encourage each local to send individuals to different tracks and build the strongest team possible.

Please visit our website ([aftmichigan.org](http://aftmichigan.org)) to register.

In Solidarity,

David Hecker  
President
